Subject: CALL FOR APPLICATIONS

Dear Sir/Madam,

We are pleased to send you our leaflets and request your cooperation in encouraging your most promising staff to apply for admission to our Master's and Ph.D. programs.

Located in central Tokyo and sponsored by the Japanese government, the National Graduate Institute for Policy Studies (GRIPS) is a graduate school dedicated to educating future leaders in the public policy arena. It is one of the most international institutes in Japan and is designed to attract government officials from around the world.

GRIPS programs are taught entirely in English and offer promising early and mid-career professionals in the public sector and policy-oriented academia an opportunity to network and extend their knowledge in a wide range of topics concerning public policy and policy formulation. Scholarships are available for outstanding applicants.

Our programs start in October 2021. For application deadlines and procedures please refer to enclosed flier and the GRIPS website.

Your kind consideration would be highly appreciated.

We look forward to receiving applications from excellent candidates from your organization.

Sincerely yours,

Professor Mikitaka Masuyama
